

1999 - 1996

Sept 24, 1999 - Historical Listing of ASIH Meetings

A complete listing of past ASIH meetings ordered by year and venue and including presiding society officers has been compiled by Dr. Joseph S. Nelson of the University of Alberta. This listing is available under the Annual Meetings directory on the home page of the ASIH website. Our thanks to Dr. Nelson• for this useful contribution.

Sept 20, 1999 - ANSP Collection Access:

The Academy of Natural Sciences in Philadelphia is currently in the process of filling the position of Collection Manager. During this time requests for information and loans will be answered, but we ask that any large or non-urgent requests be postponed until the position is filled. Any requests should be sent by e-mail to fishman@acnatsci.org after September 20,1999. Thank you for your patience during this transition.

Sept 3, 1999 - CONTACT ADDRESS FOR LA PAZ MEETINGS

I have received a number of requests for the postal address for Dr. Carlos Villavicencio, Chair, Local Committee for the Year 2000 Meetings. Here it is:

Dr. Carlos Villavicencio

Laboratorio de Elasmobranquios Depto. de Biología Marina, UABCS  
A.P. 19-B. La Paz, B.C.S. Mexico  
Cp 23080  
cvilla@calafia.uabcs.mx

July 28, 1999 - Preliminary information for the year 2000 ASIH meetings at La Paz, Baja California Sur, Mexico, is posted under ANNUAL MEETINGS on the ASIH website. Please note the strong recommendation of making early lodging and travel reservations. Additional details will be posted soon.

April 8, 1999 - The ASIH Board of Governors meeting for 1999 is scheduled for Thursday, June 24, 4:00 - 6:00 PM, in the Conference Center at Pennsylvania State University. This is an open meeting. While voting and certain other floor privileges are retained by members of the Board, the meeting is open to all ASIH members. We particularly encourage attendance by graduate students. This is one of the best ways to see in action how your Society functions. (johnsonr@cofc.edu)

March 11, 1999 - SEEKING PROFESSIONAL ASSISTANCE FROM ASIH MEMBERS !!

January 15, 1999 - Call for nominations for Honorary Foreign Member

January 8, 1999 - It has come to our attention that some ASIH members did not receive the official Notice of the 1999 ASIH Meetings at Pennsylvania State University. A similar failure occurred last year with respect to the Guelph meetings. In both cases the Local Committee used (through Allen Press) the official ASIH mailing list, which is accessible online through the Directory feature of the ASIH web page. In both instances the members who failed to receive notices were correctly listed online. If you are a member of ASIH and if you have not received the notice for Pennsylvania (or never received it for Guelph) please send an email with your name and address to the ASIH Secretary at johnsonr@cofc.edu. We will use this information to try to track and correct the "bug" causing this error.

January 5, 1999 - Where it is possible, we are asking members and guests to post their own news, notices, and announcements on the ASIH Bulletin Board. This page will be reserved for Society-related announcements and for announcements that cannot be posted to the Bulletin Board for various reasons.

November 16, 1998 - Job Announcement: American Fisheries Society Executive Director

November 4, 1998 - Symposium Announcement: EMAP Symposium on Western Ecological Systems Status, Issues and New Approaches

November 2, 1998 - Information on the next Animal Behavior Society meeting announced.

The ANIMAL BEHAVIOR SOCIETY ANNUAL MEETING will be held 26 June - 1 July 1999 at Bucknell University in Lewisburg, Pennsylvania. Plenary speakers include Gail Michener, Lynne Houck, and Steve Nowicki. Symposia include "Educating about Animal Behavior: A Broader Perspective". For further information see <http://www.indiana.edu/~animal/events/travelinglectures.html> or contact local host, Michael Pereira [mpereira@bucknell.edu, (717) 524-1430].

October 1998 - Earthwatch is accepting proposals.

The Center for Field Research at Earthwatch Institute is now accepting proposals from scientists conducting fieldwork in the natural and applied sciences. Earthwatch Institute is a non-profit institution that sponsors scholarly field research in the biological, physical, social and cultural sciences. Please view CFR's homepage (<http://www.earthwatch.org/cfr/cfr.html>) for information on field grant application guidelines, proposal forms, and recent Grants Lists. You may also review our Requests for Proposals at <http://www.earthwatch.org/cfr/CFRrfp.html>

September 2, 1998 - Job Announcement: Arizona Game and Fish Wildlife

Specialist III

August 26, 1998 - Post-Doc Announcement: Fish Reef Behavior at Hawaii Institute of Marine Biology

August 24, 1998

Conference announcement: The First National Conference on Marine Bioinvasions (link unavailable)

August 13, 1998 - The email address for the society has changed. Please note the new address: johnsonr@cofc.edu

July 18, 1998

Billfish Symposium announced

Italian website "Reptilia & Amphibia" announced

June 22, 1998 - Job posting: Curator of Ichthyology at the Academy of Natural Sciences

June 12, 1998 - 1998 International Larval Fish Conference at the University of Michigan in July.

April 6, 1998 - Obituary (Colin Patterson)

March 25, 1998 - University of Rhode Island Vertebrate Biologist position announced: <http://www.gso.uri.edu/faculty/vert.html>

March 10, 1998 - Exciting herpetology goings-on at the San Diego Natural History Museum

March 6, 1998

Due to mail delays in delivery of meeting announcements to society members, the local hosts realize that some members may not be able to submit abstracts by the initially stated March 13 deadline. They have therefore indicated that they "would like to have all the abstracts by the first week in April if at all possible but will entertain additional abstracts on a case by case basis."

Amphibian related post-doc positions announced

February 23, 1998

Three positions available at California consulting firm

Ichthyology Graduate Research Assistantship in Connecticut

January 26, 1998

Book: Herpetofauna of California

Seminar: Declining Amphibians of California

Seminar: Herpetology of the Californias

Grant Proposals now being accepted by Earthwatch  
Job Announcement: Research Aide in Aquatic Ecology  
December 8, 1997 - Curator of Ichthyology position available at Scripps  
Institute of Oceanography

November 17, 1997 - Collection Manager position available at the University  
of Texas

November 3, 1997 - International Conference of the PARADI (POISSONS  
AFRICAINS: ROLE ET APPLICATIONS DE LA DIVERSITE) Association and The
